

Policies – Anti-Doping of the International Mounted Games Association

Anti-Doping

At the 2006 annual meeting, IMGA agreed to use the list of prohibited substances published annually by the International Federation for Equestrian Sports as a reference for the Mounted Games rule on the use of artificial stimulants.

All current details are available by referring to the FEI's **Prohibited Substances List** which is available at :

<http://www.fei.org/fei/cleansport/ad-h/prohibited-list>

On this page (at the bottom) are further links to specific lists which make up the **FEI Prohibited Substances List Library & References** :

Changes to FEI Equine Prohibited Substances List, to become effective 1 January 2015
