

International Mounted Games Association Finance and Budgeting Sub-Committee

Work Order Document

Requested:	10/12/2014
Deadline:	30/09/2015
Reference:	FAB-201415-002
Name:	Cost of Name Change

Requirements:

Throughout the second half of 2014 there has been an ongoing discussion around whether there should be a fundamental change of name of our sport from "Mounted Games" to something with which the general public can more easily identify.

At the IMGA AGM in 2014 it was agreed to defer any decision on this matter to a later date once an analysis could be undertaken to see what would be the monetary cost of making such a change.

It is therefore the responsibility of this sub-committee to calculate what that cost would be, broken down by area, so that this may be included as part of the 2015 IMGA AGM agenda to revisit the subject.
