Procedure 3 ***Allocation of Hosting for IMGA Sanctioned Competitions***

(Rule Book GR14.1)

- 3.3. Member countries wishing to bid for the right to host any of these competitions must submit bids outlining their plans 4 weeks prior to the agreed date of the IMGA Annual General Meeting. Bids must be submitted either in writing or electronically to the IMGA Finance and Administration Officer.

Procedure 5 ***Allocation of Hosting and Organising IMGA Annual General Meetings***

IMGA Annual General Meetings (AGMs) are usually held in different locations to "even out" the travelling. The following procedure is followed to decide the location for the AGM :

- 5.1. The IMGA Executive Committee meets at least once per year.

Hosting

- 5.2. Any International Representative may offer to take on the responsibility of organising the IMGA AGM.
- 5.3. The IMGA AGM does not necessarily have to take place in the country represented by that International Representative.
- 5.4. Bids to host the IMGA AGM should be submitted to the IMGA Executive Committee at the meeting in the preceding year.
- 5.5. The individual bids are then voted upon and the result recorded in the meeting minutes.

Organising

- 5.6. It is the responsibility of the IMGA Chairman to ensure that the agenda for the IMGA AGM is prepared. This agenda must be circulated to all IMGA Executive Committee members at least 4 weeks prior to the agreed meeting date.
- 5.7. It is the responsibility of the IMGA Chairman to chair the IMGA AGM.
- 5.8. It is the responsibility of the IMGA Chairman to ensure that suitable minutes of the IMGA AGM are taken and subsequently distributed to all members of the IMGA Executive Committee no later than 4 weeks following the end of the IMGA AGM.
- 5.9. Following this distribution, members have a 2 week consultation period in which to make comments or propose amendments which should be directed to the IMGA Chairman. Failure to respond is considered as acceptance of the minutes.

Procedure 6 ***Election of IMGA Officers***

The following procedure defines the election procedure for IMGA Executive Officers :

The IMGA Executive Committee is made up of one representative from each member country. The IMGA Executive Officers may be, but do not necessarily have to be, members of the IMGA Executive Committee.

6.1. There are six IMGA Executive officers as follows :

- Chairman
- Vice-Chairman
- Officer for Finance and Administration

- Vice-Chairman
- Officer for Finance and Administration
- Officer for Communications

6.3. The elections take place at the IMGA Annual General Meeting.

6.4. Should an officer resign their position or become unable to continue their duties during their term of office, a replacement is elected by the same procedure at the earliest possible occasion. The term served by the replacement officer in this case is only until the next scheduled election for the post.

6.5. The officer posts are not reserved for International Representatives, and any individual may stand for election. To do so, the individual's candidature, with a clear statement of their desire to enter the election for a specific post, plus the support of an International Representative as seconder, must be submitted in writing to the IMGA Chairman no less than 4 weeks prior to the agreed date of the meeting where the election will be held.

6.6. The IMGA Chairman informs the IMGA Executive Committee of the full list of candidates for each officer position no less than 3 weeks prior to the agreed election date.

6.7. Each candidate is given the opportunity to present their candidature to the IMGA Executive Committee on the day of the election.

6.8. Each officer position is voted on individually in reverse order (as listed under point 2 above) as per procedure 1, except that the vote is by secret ballot. The result is recorded in the meeting minutes.

 - The form must be sent to the IMGA Finance and Administration Officer, preferably electronically to "imga.administration@mounted-games.org"
 - The journey may not be undertaken and expenses incurred unless the IMGA Finance and Administration Officer has returned the form with it marked as authorised.
 - After returning, the individual concerned must make a claim for reimbursement using the same form, attaching all receipts, tickets, etc.

Procedure 8 ***Selecting Referees for IMGA Sanctioned Competitions***

- 8.1. At the latest by the 15th September in the year before the competition takes place, the organisers in the host country must provide IMGA with all relevant details regarding their requirements for referees. This should include the competition venue, the dates referee(s) will be required, the number of referees required, and what expenses and facilities will be covered by the organisers (travel, accommodation, food etc.).
- 8.2. As soon as possible after the 15th September, the IMGA Chief Referee forwards all information regarding referee requirements for all IMGA sanctioned competitions in the following year to all IMGA Certified Referees. This information includes a deadline date of 4 weeks prior to the date of the IMGA Annual General Meeting in that year and any referees wishing to be considered for one or more of the available positions should do so in writing to the IMGA Chief Referee before that date.
- 8.3. When the agenda for the IMGA Annual General Meeting is circulated, it includes the names of all referees who wish to be considered for the IMGA sanctioned competitions the following year.
- 8.4. At the IMGA Annual General Meeting, a vote by secret ballot is carried out for each of the available positions. Only those International Representatives whose countries are eligible to take part in the respective competition are allowed to vote.
- 8.5. The results of which referee is chosen for which competition are recorded in the IMGA AGM minutes and in addition the IMGA Chief Referee notifies the relevant host countries and successful candidates in writing.
- 8.6. In the event that a selected referee is subsequently no longer able to attend the event for which they have been selected, they must inform the IMGA Chief Referee as soon as possible. The IMGA Chief Referee will then inform the next highest placed referee from the original vote at the AGM who is able to attend that their services are required. If there is no available referee from the original list, the IMGA Chief Referee will appoint one at their discretion. The IMGA Chief Referee will then inform the host country, all IMGA Officers, as well as all international Representatives whose countries are eligible to take part in the competition of the change of referee.
- 8.7. A referee should never officiate at an IMGA sanctioned competition when it may cause a conflict of interest with a possible benefit to the referee, or in which an immediate family member is competing. If such a situation arises then the referee must withdraw with a replacement being found as per 8.6. (Immediate Family is your Partner, and: parents, children, stepchildren, fostered or adopted children, brothers, sisters, aunts, uncles, cousins, nephews, nieces, grandchildren, or grandparents, of either you or your Partner, who live in your Home Country." and "Partner is your spouse or someone of either sex with whom you have a permanent relationship, and who also lives with you at your Home).

Procedure 9 ***Checking Compliance with Membership Criteria***

- 9.1. A checklist covering all the requirements member countries are expected to fulfil is maintained by the IMGA Compliance Sub Committee.
- 9.2. The checklist is distributed to all International Representatives biennially in odd numbered years by the end of September at the latest. It must be completed and returned to the chairperson of the IMGA Compliance Sub Committee with supporting documentation (where required) by the 31st December of the same year.
- 9.3. Failure to provide the documentation by the deadline, results in suspension of the membership of the offending country and no request for an affiliation fee payment will be sent for the following year.
- 9.4. If the documentation is submitted after the 31st December and before the 30th June, a request for affiliation fee payment will be sent as soon as the documentation has been satisfactorily checked and payment of the affiliation fee will then automatically reactivate that country's membership.
- 9.5. In such a case, all late payment fees still apply from the beginning of the year.
- 9.6. If the documentation is not received before the 30th June, the membership of the offending country will be cancelled.
- 9.7. In cases where submitted documentation is found to be either incomplete or shows evidence or suspicion of a breach in the IMGA membership criteria, the IMGA Compliance Sub Committee Chairperson will report any issues to the member country concerned at the earliest possible time. Through ongoing dialogue both parties will attempt to resolve any issues found. If this is not successful the membership of the offending country will be cancelled unless the issue(s) are confined solely to membership criteria 2.5 and/or 2.6. In such cases, the country's membership will be placed on probation and affiliation fee payments will be requested the following year as usual.
- 9.8. A member country whose membership is placed on probation loses all voting rights within IMGA until such time as membership criteria 2.5 and/or 2.6 are satisfied and the probation is thereby lifted. All other rights remain the same.
- 9.9. Countries whose membership has been cancelled (as a result of 9.6. or 9.7.) may reapply for membership of IMGA at any point after the cancellation. In order to do so, the country must fulfil all membership criteria at the point of re-entry and not only the initial membership criteria (as is the case for entirely new members). If the country concerned is unable to satisfy membership criteria 2.5 and/or 2.6 at the point of re-entry but can satisfy all other criteria, their reactivated membership will be placed on probation (see 9.8.) until such time as these criteria have been satisfied.
- 9.10. If IMGA received a complaint at any time, accusing a country of non-compliance with membership criteria, that country has 4 weeks to respond to the allegation. Failure to do so will result in the membership of that country being suspended. If after 6 months there is still no response to the allegation, the membership of that country will be cancelled.
