## **Scheduling of IMGA sanctioned competitions 2017**

The current schedule for 2017 has the World Pairs Championship, the World Individual Championship, and the European Championship, all in August and with almost no gaps between to allow for rest and travelling.

The WPC can be re-scheduled to eliminate some of the problems.

The new schedule, when confirmed, will be available on the IMGA website.

## **Referee Training**

A meeting will be arranged at the WPC in Denmark (August 1-7) to discuss this matter.

## **Height/Weight**

It is thought to be too difficult for tall riders to get started because of the new rules. The whole subject is under review.
